My future in Europe

(gw.eduhi.at/programm/haubrich)

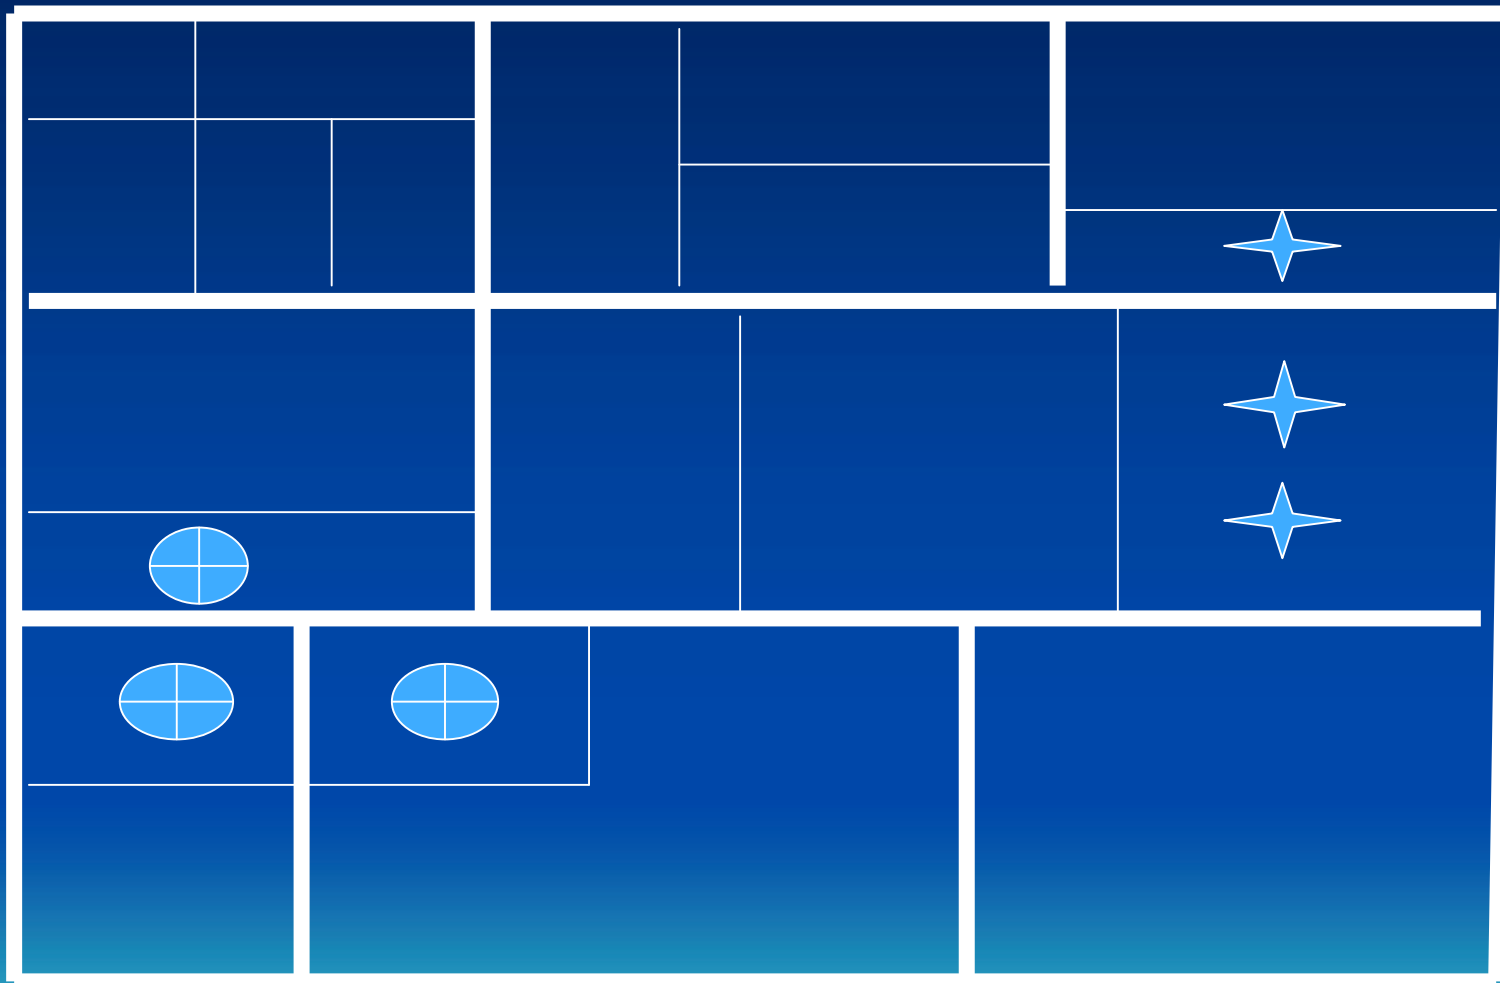

Competence VI

To discuss the European Order
for a better Future

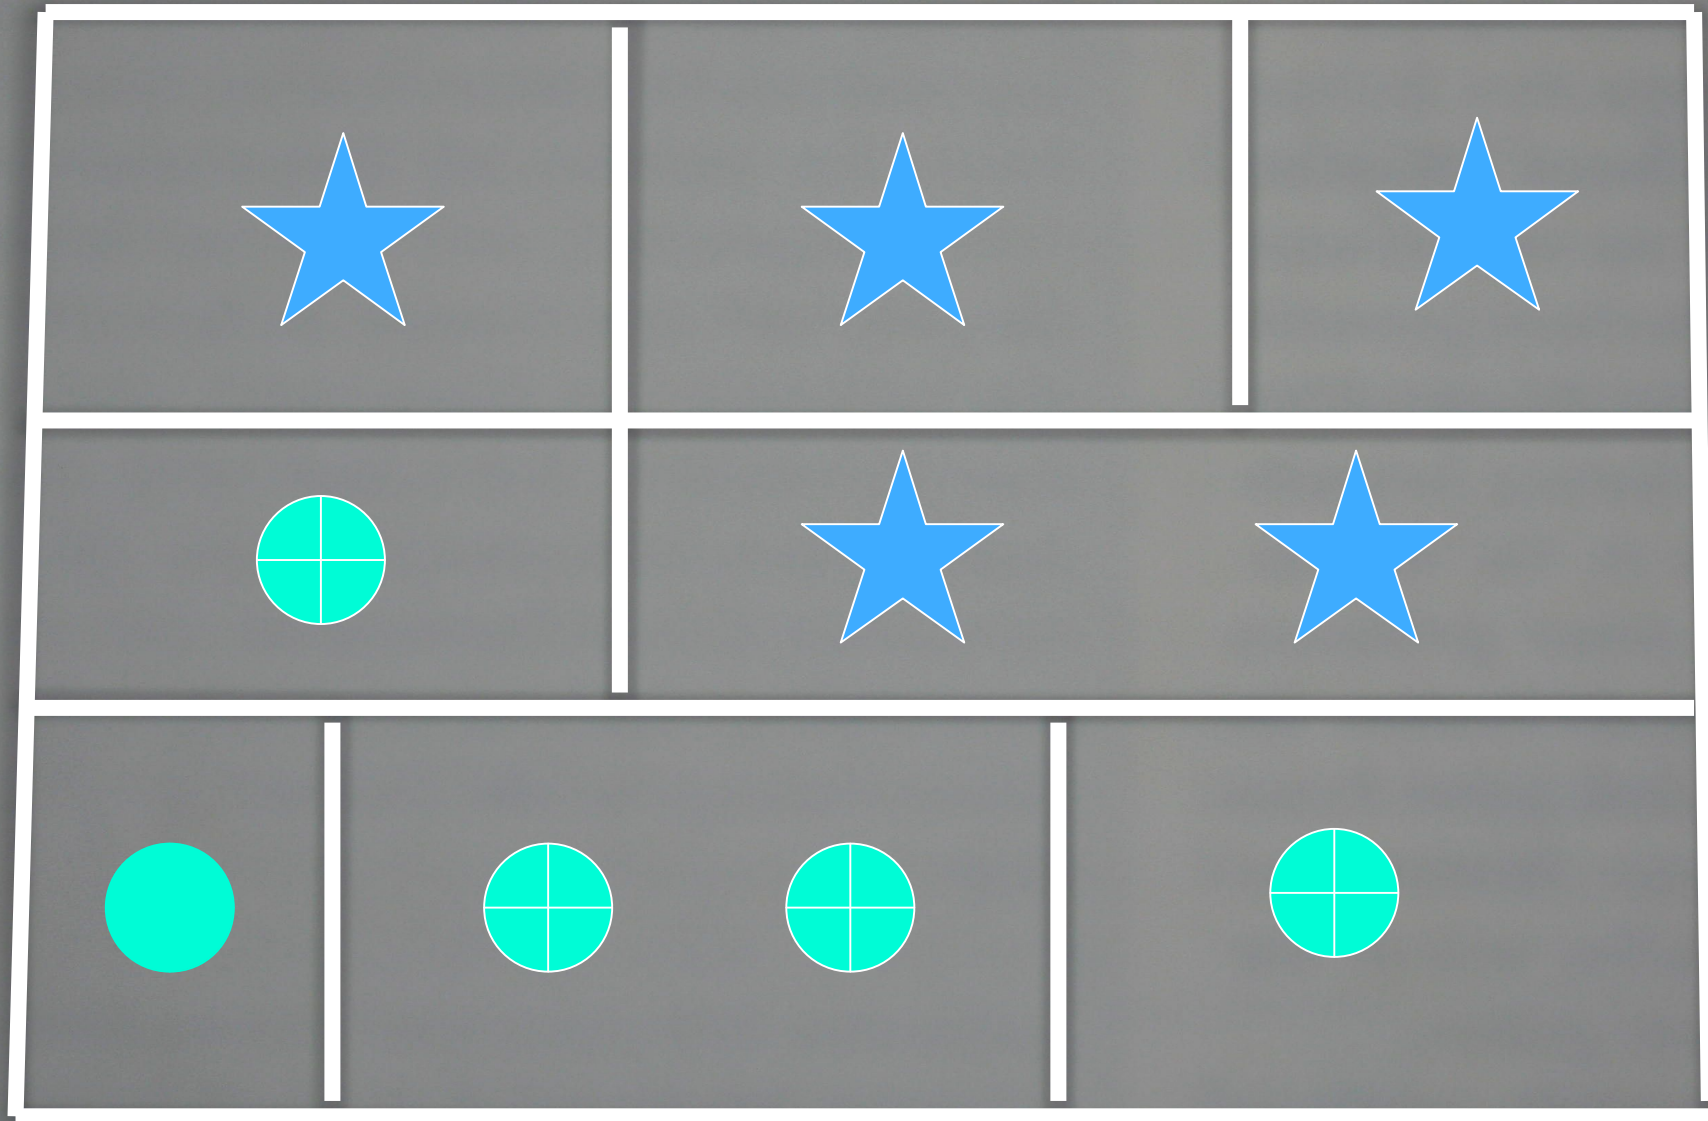

Europe of Nation States: — Border State

Europe of Regions:  binational  trinalational  national

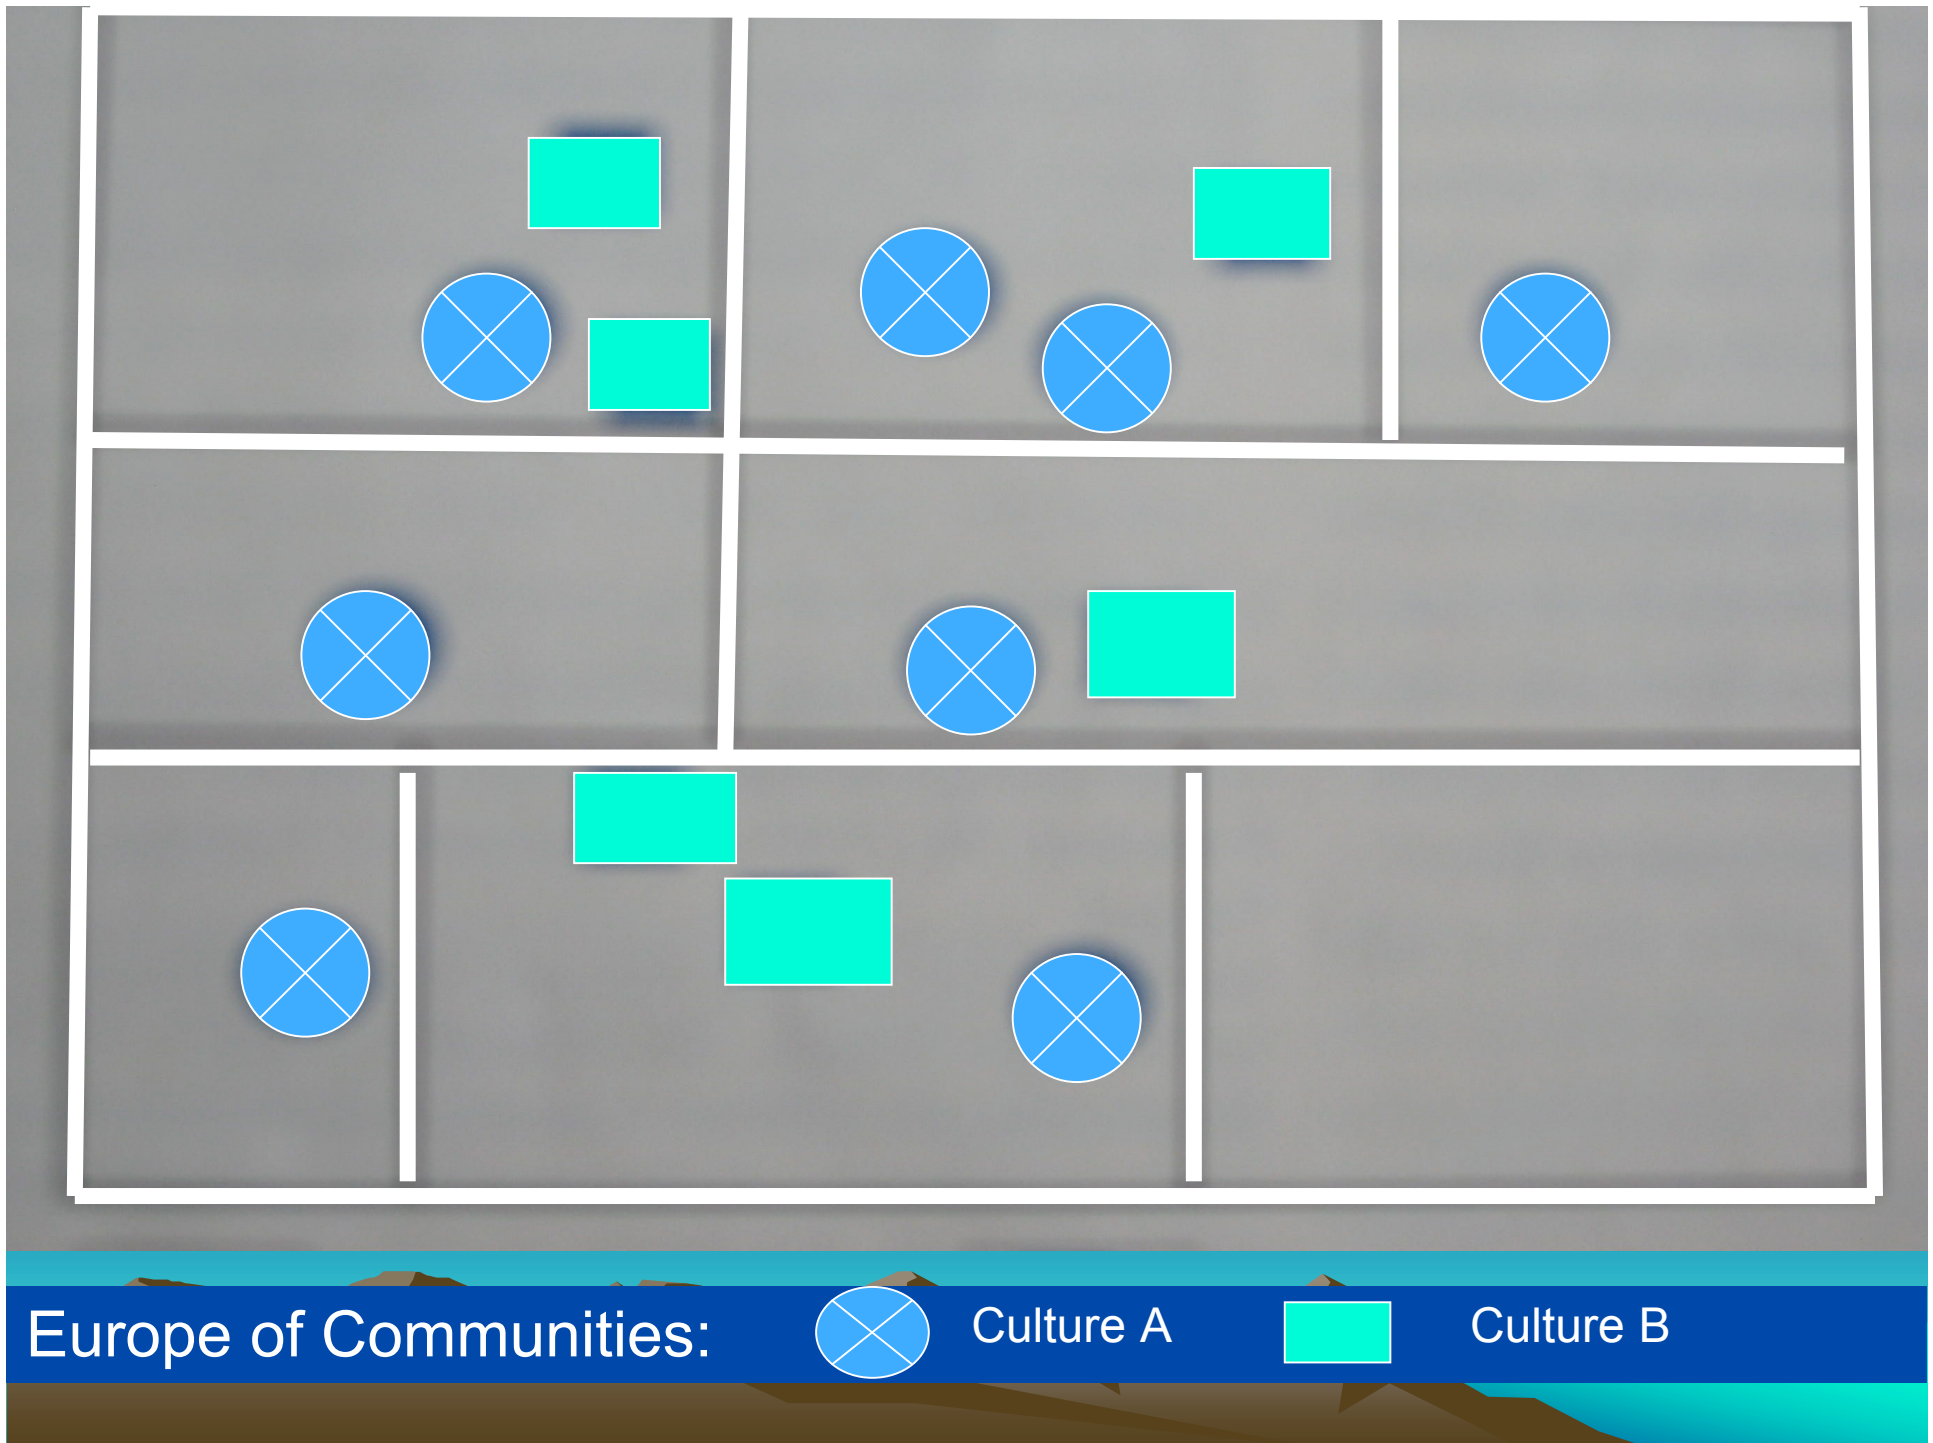

Europe of Communities:

Security Co

Currency Co

The background of the slide features a red paper map of Europe, which is being held up by a black silhouette of a person. The person is standing on the right side, with their arm extended upwards to grasp the edge of the map. The map is made of a textured, slightly crumpled paper. The entire scene is set against a background of faint, illegible newspaper text.

Europe in the Hands of its Citizens

National - European Economic Community

National - European Monetary Community

National - European Defence Community

National - European Value Community

Identity - Solidarity
